

Determine the slope of the linear graph.

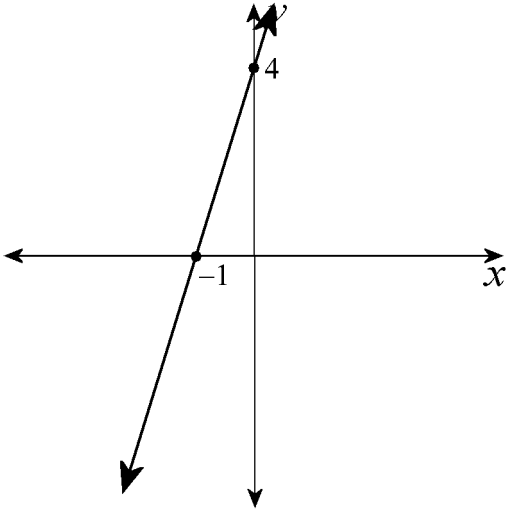

1. Determine the slope of the line shown below.

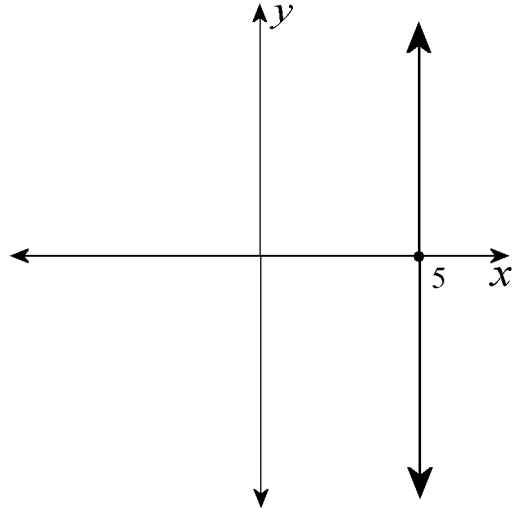

2. Determine the slope of the line shown below.

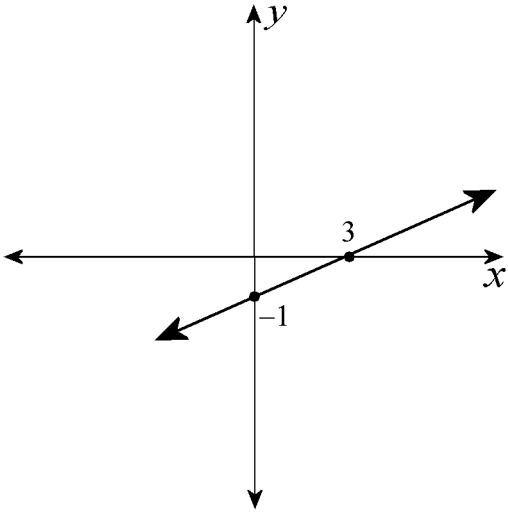

3. Determine the slope of the line shown below.

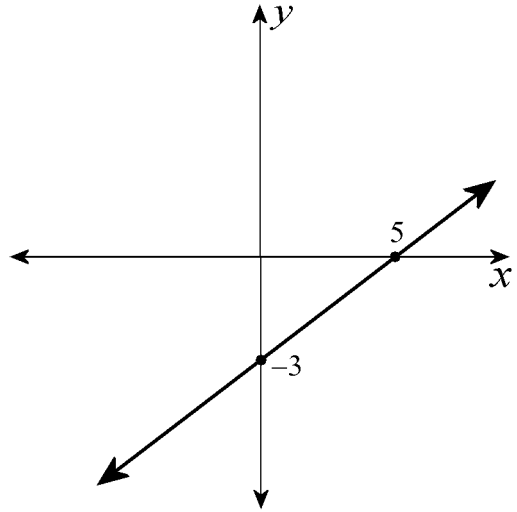

4. Determine the slope of the line shown below.

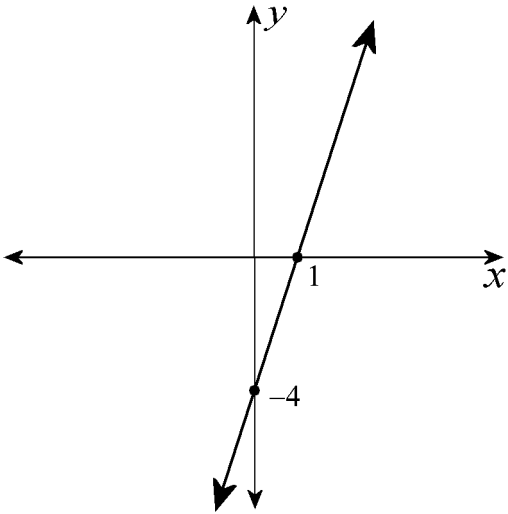

5. Determine the slope of the line shown below.

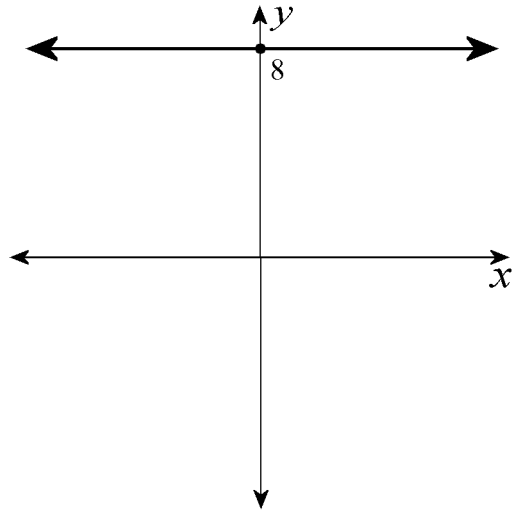

6. Determine the slope of the line shown below.

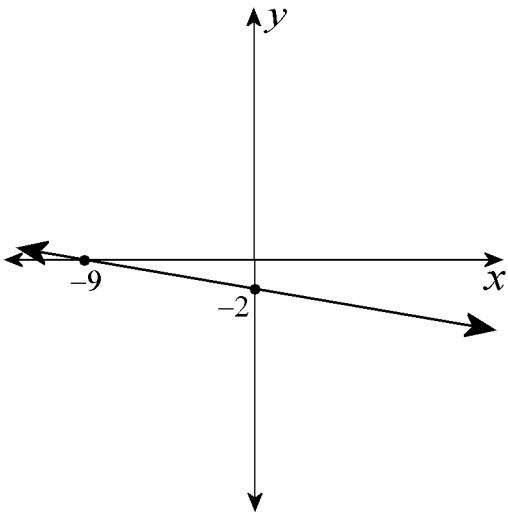

7. Determine the slope of the line shown below.

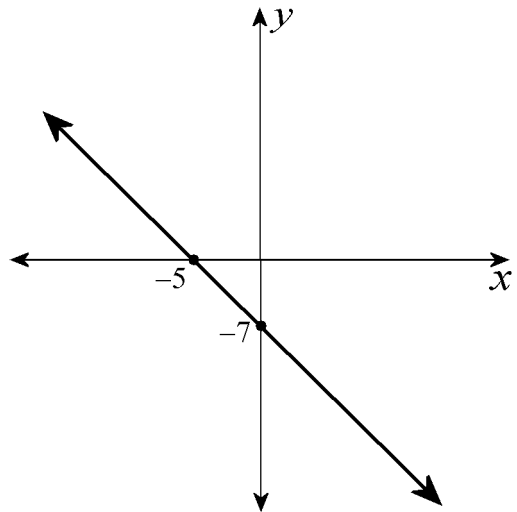

8. Determine the slope of the line shown below.

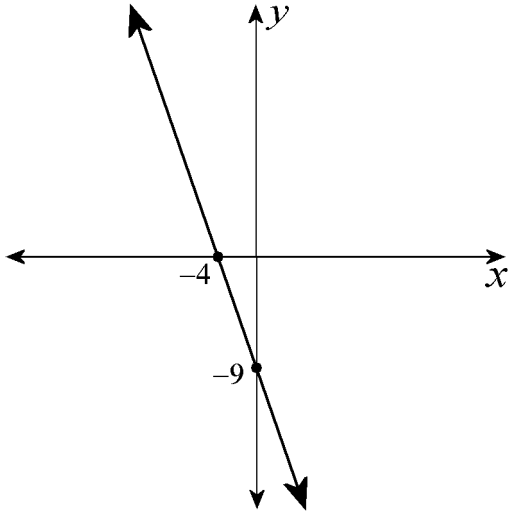

9. Determine the slope of the line shown below.

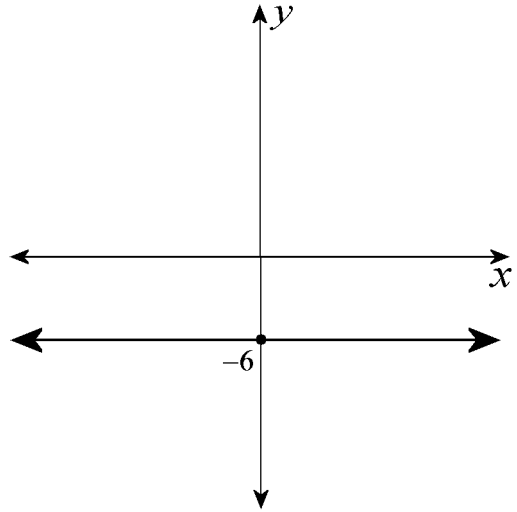

10. Determine the slope of the line shown below.

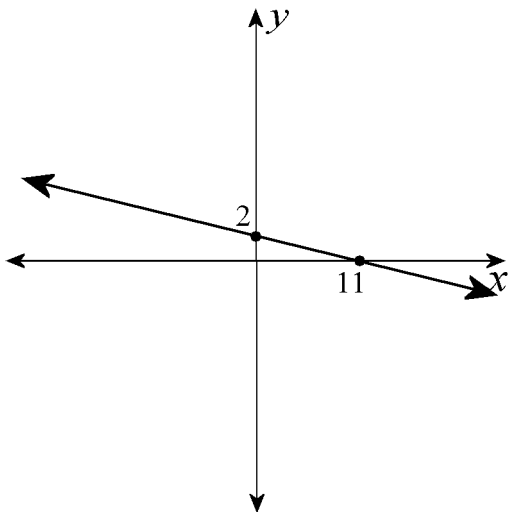

11. Determine the slope of the line shown below.

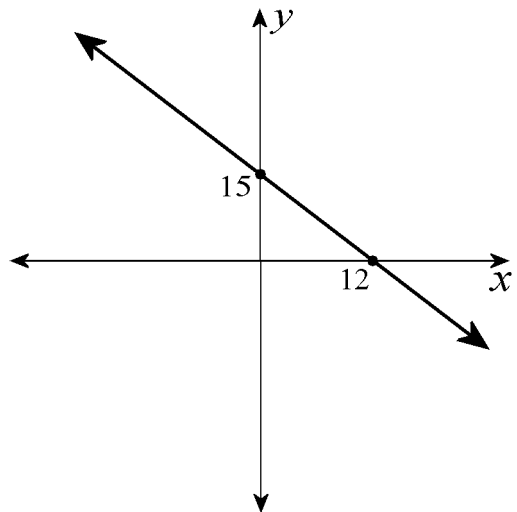

12. Determine the slope of the line shown below.

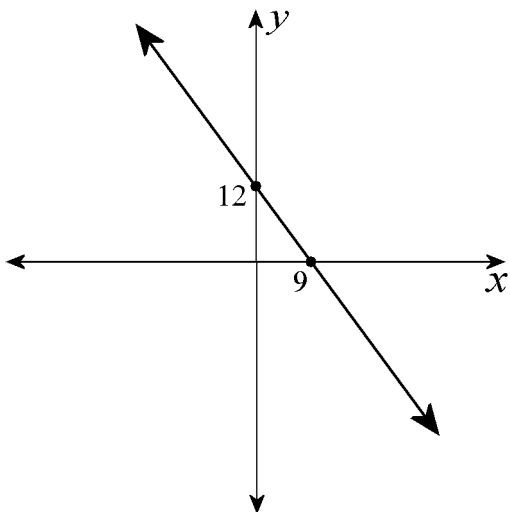

13. Determine the slope of the line shown below.

14. Determine the slope of the line shown below.

15. Determine the slope of the line shown below.

16. Determine the slope of the line shown below.
